1 Do / Have you played any Musical instruments before?

1.a If Other, What instrument?

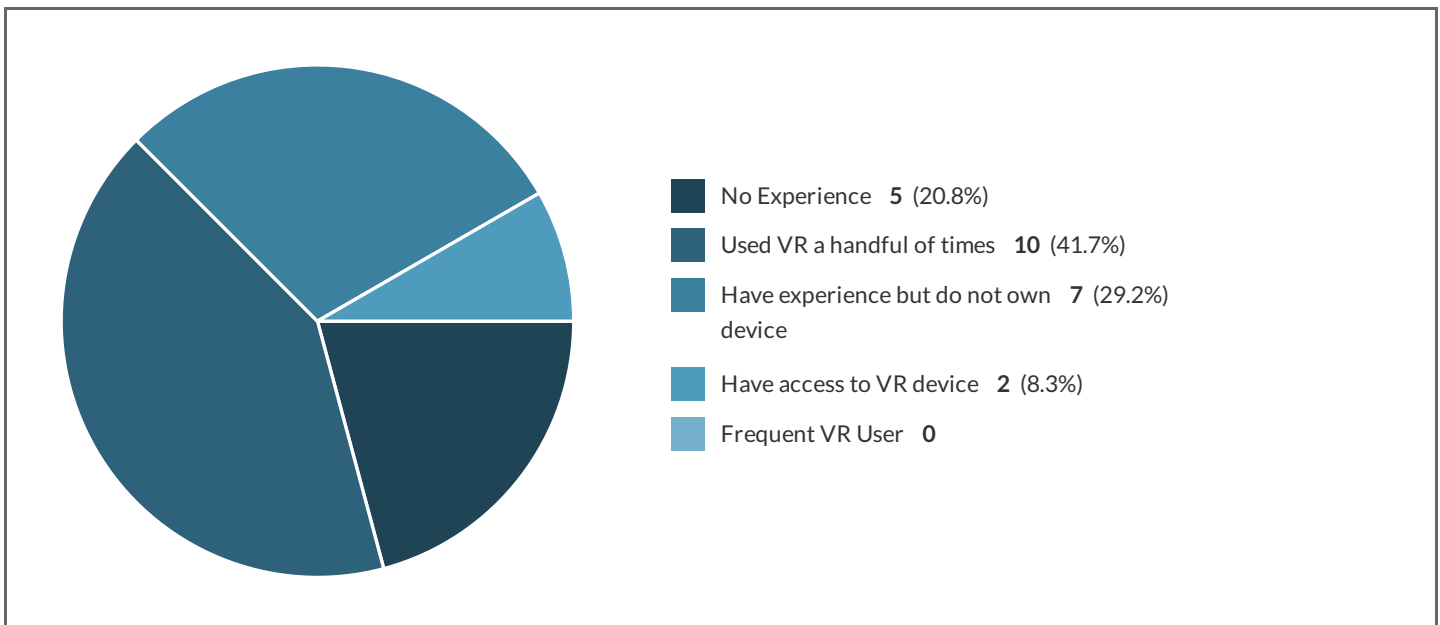

Showing all 2 responses	
Mixer and CD-Js	541961-541952-52693296
Glockenspiel	541961-541952-52743321

2 Have you used a Virtual Reality device before?

3 What is your experience with VR?

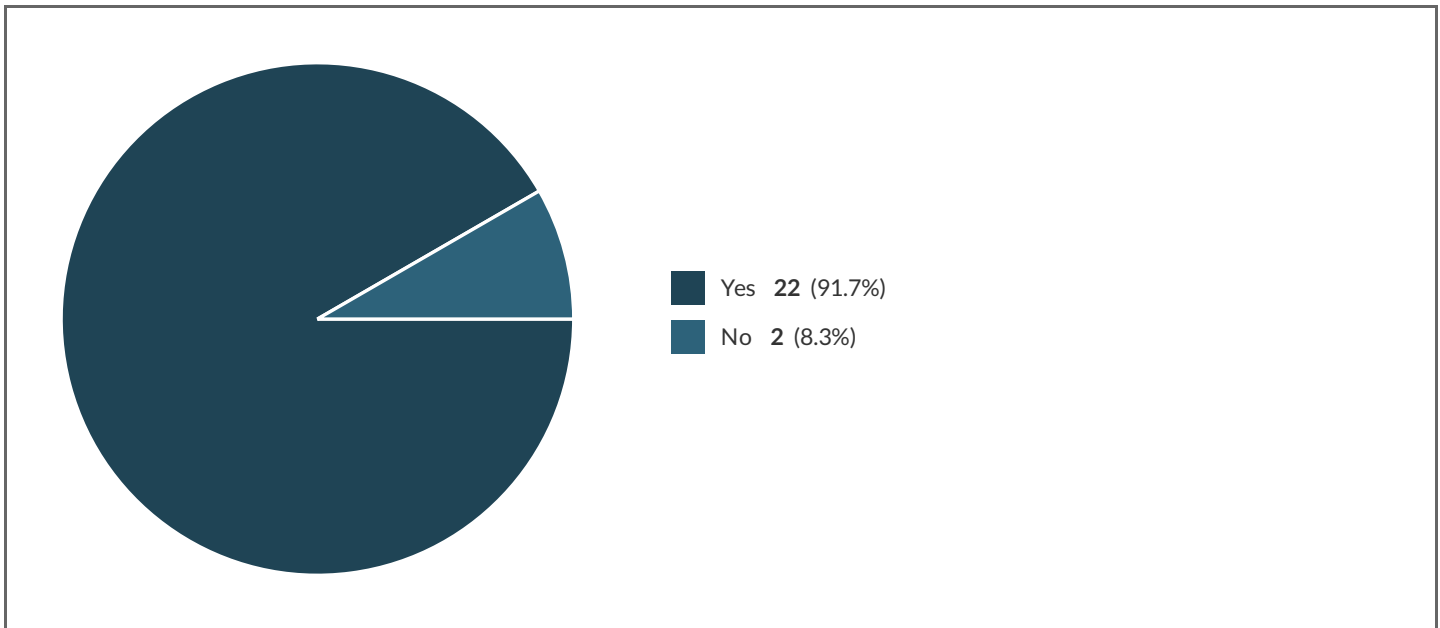

3.1 Select Which Applies.

4 If you were to play music in Virtual Reality what feature would you most like to see?

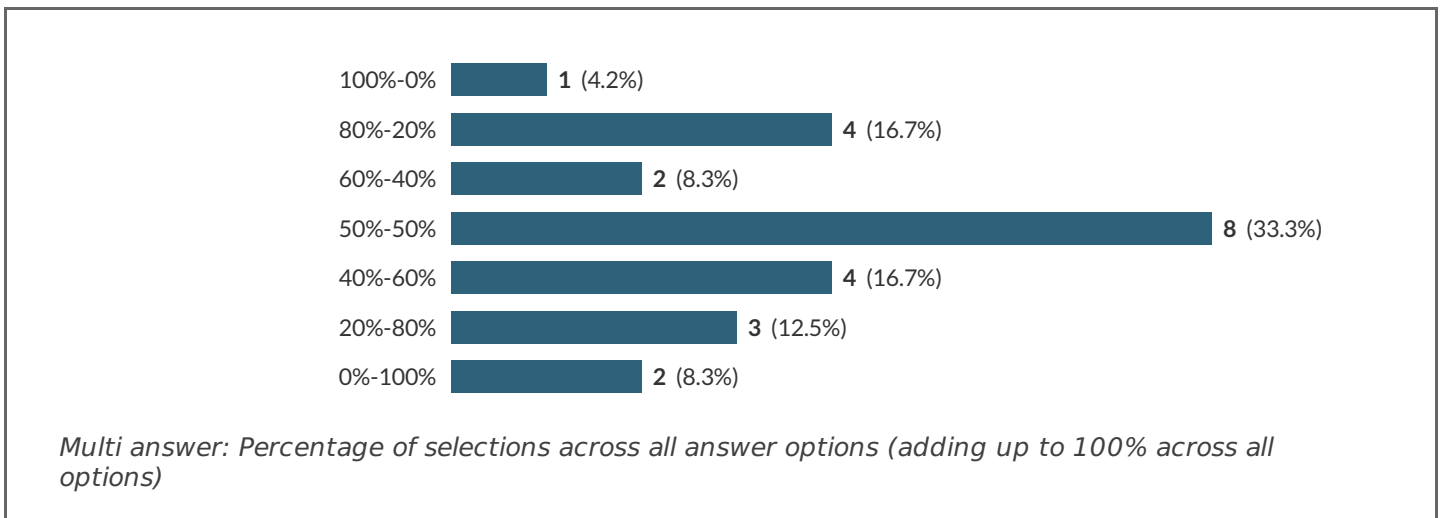

Showing all 22 responses	
Drums	541961-541952-52693113
Authentic controls	541961-541952-52693244
Ability to place and samples to create loops	541961-541952-52693296
For it to be easy and intuitive to make a simple beat/song	541961-541952-52693253
Lots of famous people playing with me	541961-541952-52693489
Turn Tables	541961-541952-52693495
Bright colours	541961-541952-52693636
Crowd reaction	541961-541952-52693694
A crowd so i feel successful	541961-541952-52693867
A virtual drum kit whilst sitting? If sensors are used on arms and legs, this could possibly be done? If not, than using a drum pad and by hitting the pads notes/sounds are played.	541961-541952-52694910
Clear visual feedback (maybe auditory as well) to compensate for the lack of 'real' tangible instruments.	541961-541952-52695031
being able to see movement of hands etc	541961-541952-52695564
Maybe teaching people how to play? For people who can't afford/don't want to commit to buying instruments but want to learn	541961-541952-52696221
to see the individual strings of guitar etc	541961-541952-52696879
Doing it for fun rather than to learn or practice	541961-541952-52697403
See the notes I am playing (eg I'd play a C minor and I would get visual feedback)	541961-541952-52697429
a piano like structure with old bald men heads instead of the traditional keys	541961-541952-52698272
Vibration feedback	541961-541952-52699200
Ways to learn new instruments so very basic modes with certain songs pre recorded to learn Also a loop pedal to be able to compose songs yourself	541961-541952-52699929
Ability to save creations	541961-541952-52727029
Learning features	541961-541952-52743321
Drums	541961-541952-53502144

5 Would the ability to export/import saved recordings into the software interest you?

6 Would you prefer a music VR software to be learning based or pure music creation?

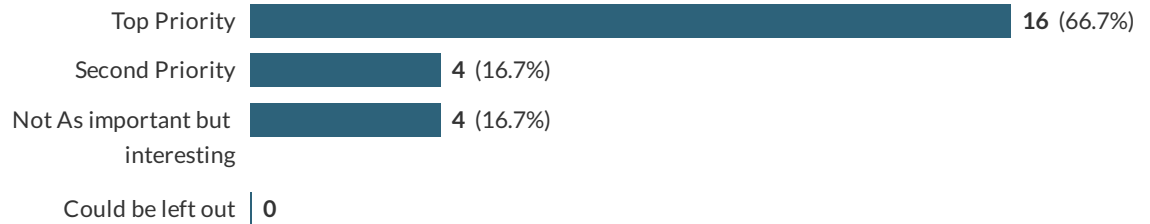

6.1 Learning vs Music Creation

7 What would you rank these features in a "must have" sense

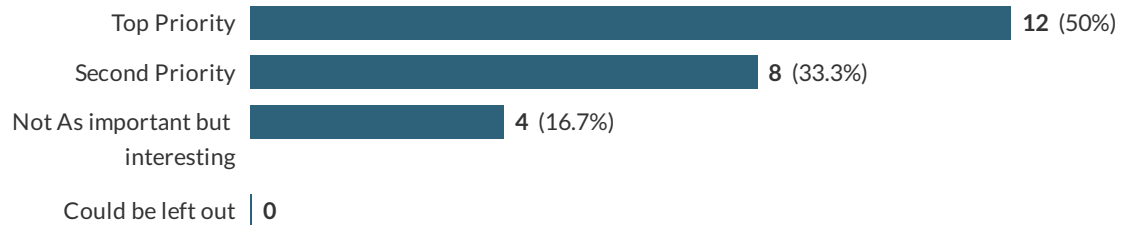

7.1 Drum Kit

7.1.a Drum Kit - Scale of Importance

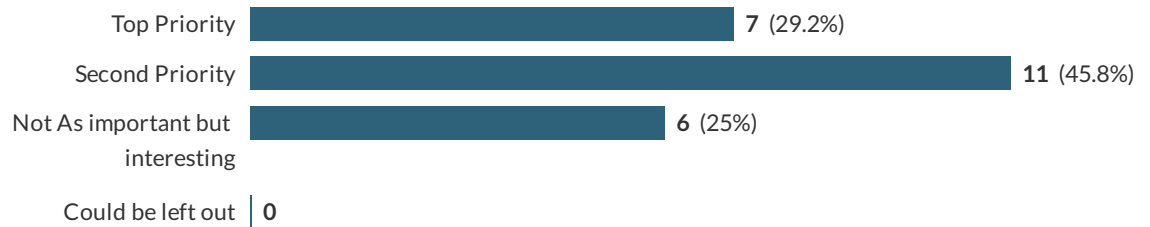

7.2 Keyboard

7.2.a Keyboard - Scale of Importance

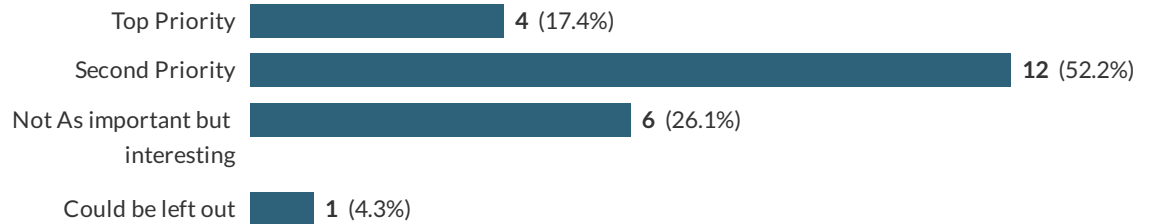

7.3 Live recording

7.3.a Live recording - Scale of Importance

7.4 Importing Samples/Sounds

7.4.a Importing Samples/Sounds - Scale of Importance

7.5 Distortion/Filtering/delays etc.

7.5.a Distortion/Filtering/delays etc. - Scale of Importance

7.6 Learning tools

7.6.a Learning tools - Scale of Importance
